DECISION
ON PETITION UNDER
37 CFR 1.137(b)

Applicants' "Petition For Revival of an Application For Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b)," filed in the above-captioned application on 13 December 2005 is **GRANTED**.

Applicant's statement that the entire delay in filing the fees was unintentional is construed to mean that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional," as required by 37 CFR 1.137(b)(3). If this understanding is not correct, applicant must notify the Office immediately. The appropriate national fee and petition fee have been paid. A terminal disclaimer is not required as the application was filed on or after 08 June 1995. Accordingly, all requirements under 37 CFR 1.137(b) have been satisfied.

A signed declaration was furnished during the international phase. However, it contains non-initialed, non-dated alterations to the address of the inventor. 37 CFR 1.52(c)(1). As such, it fails to comply with Office requirements.

This application is being forwarded to the National Stage Processing Branch of the Office of PCT Operations for continued processing in accordance with this decision, including mailing of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that an oath or declaration in compliance with 37 CFR 1.497(a)-(b) and the fee for late filing of the search fee, examination fee or oath or declaration is required.
